THE STATE OF NEW HAMPSHIRE.

To the inhabitants of the Town of Littleton qualified to vote in town affairs :

You are hereby notified to meet at the Town Hall in the Town Building in said town, on the second Tuesday of March next, at nine o'clock in the forenoon, to act upon the following subjects :

Article I. To choose a Town Clerk for the ensuing year.

Article II. To choose three Selectmen for the ensuing year.

Article III. To choose three Trustees for the Littleton Public Library to serve for three years each in the place of George H. Tilton, Julia A. Eaton and G. Frank Abbott, terms expired. Also to choose a Library Trustee for two years to serve the unexpired term of F. B. Pelton, resigned.

Article IV. To raise such sums of money as may be necessary for the support of schools, for laying out and constructing and repairing highways and bridges, for the payment of town debt and interest, for the maintenance of the poor, and for all other necessary town charges.

Article V. To see what sums of money the town will raise and appropriate for the observance of Memorial Day.

Article VI. To choose an Auditor for the ensuing year.

Article VII. To see what action the town will take in relation to discontinuing the highway recently laid out by the Selectmen, commencing at a point in Hillside Park and extending over Pine Hill to the north end of School street.

Article VIII. To see what action the town will take in regard to selling to the Glenwood Cemetery, a corporation, that tract of its park lands lying between the present cemetery and the trotting park.

Article IX. To see what action the town will take in reference to enlarging the Opera House, stage and dressing room, and making other necessary improvements and repairs to said building.

Article X. To see if the town will exempt from taxation the water privilege now owned by D. C. Remich, situated at South Littleton, and the land connected and used therewith, and the buildings thereon, formerly owned and used by the Littleton Lumber Company in the conduct of its business, and such improvements and buildings as he, his successors or assigns may hereafter make, erect or put in operation upon said premises for manufacturing or power purposes, and the capital used in operating the same.

Article XI. To see if the town will exempt the stock in trade of Johnson & Robinson, and the capital used in operating their business, and any buildings and machinery that they may acquire and use for manufacturing purposes.

Article XII. To see what action the town will take in reference to the adoption of Chapter 105 of the Laws of 1901 relating to caucuses, and Chapter 33, Laws of 1901, relating to "public weighers."

Article XIII. To see what action the town will take with reference to assisting in procuring a charter for the construction of an electric railway from Littleton to Bethlehem and Franconia.

Article XIV. To see what sum of money the town will raise to be used by the tree warden.

Article XV. To see what action the town will take in reference to establishing and maintaining a band, and making appropriations for the same.

Article XVI. To see if the town will vote to establish a Town Agency.

Article XVII. To see what action the town will take with reference to purchasing a lot upon which to erect a public library, and to raise money to maintain and conduct the same.

Article XVIII. To see what action the town will take with reference to building a bridge across the Ammonoosuc river between the Hugh McGrory blacksmith shop and the Saranac glove shop, and discontinuing the lower bridge, so called, and that part of the highway upon and over which that bridge is constructed.

Article XIX. To hear the reports of agents, auditors and committees or officers heretofore chosen, and pass any vote relating thereto.

Article XX. To choose any other necessary town officers for the year ensuing.

Article XXI. To transact any other business that may legally come before the meeting.

Given under our hands and seal this 24th day of February, 1902.

F. P. BOND,	}	Selectmen of Littleton.

ESTABLISHMENT OF BAND.

At the last annual town meeting the following vote was passed:

"Voted that the selectmen be authorized to investigate the wants and needs and what is necessary to start a band, and report the same in the next town report."

In pursuance of the above vote we have performed our duties and beg leave to report: That the Saranac band now have in their possession fifteen coats in fair condition, but no caps or pants, and the following instruments, which were purchased with money donated by the public, which we are informed they will turn over to the town to become their property, provided the town vote to establish a band and raise sufficient money to properly equip and support it:

- 2 E flat tubas
- 1 B flat clarinet
- 1 B flat baritone
- 2 E flat alto horns
- 1 bass drum
- 1 snare drum
- 1 pair cymbals

Most of these instruments are in good condition.

We further find that several musicians who formerly played in the band, reside in Littleton, will join the band and use instruments that they own.

That there are a number of young men who desire to learn to play and join the band, who have instruments.

That there are a number of musicians of good character and steady habits living in other towns who would be glad to move to Littleton and play in the band if they could procure work. Some of these are solo clarinet, cornet and trombone players and are much needed if a first class band is to be established. These men are carriage painters, house painters, shoe-makers, etc., who should readily obtain employment.

The Kilburn Guards will allow the band to use their armory for band purposes on certain nights of the week that will not interfere with their use of the hall for other purposes, free of expense.

From the best information that we can obtain, we are of the opinion that a good band can be established which will give free band concerts the coming year, every week during June, July, August and September, at an expense of not exceeding \$500, and that in subsequent years an appropriation of \$300 will maintain it. It will cost about \$200 to repair such old instruments as need repairing, and purchase the necessary new instruments and music.

REPORT
OF
THE MUNICIPAL COURT.

From February 16, 1901, to February 16, 1902.

OFFICERS OF
THE MUNICIPAL COURT FOR 1901-2.

Justice,
ALBERT S. BATCHELLOR.

Special Justice,
HARRY M. MORSE.

Clerk,
WILLIAM H. MITCHELL.

Deputy Sheriff,
ALBERT E. STRAIN.

Chief of Police,
HARRY H. COREY.

CURRENT COMMENTS.

In the fiscal year now ended, the aggregate of criminal prosecutions entered in the local court is notably small. Last year the total was twenty-nine, and this year it is thirty-one. None of these offences was of a very gross or startling character. The population of the town being, according to the last census, four thousand and sixty-six, and the prosecutions of all offences on the part of residents being sixteen in number, we have the gratifying result that the prosecutions shown are only one for every two hundred and fifty-four inhabitants in the entire year.

The amount of fines and court fees reported as paid this year are two hundred and eighty-three dollars and seventy-two cents. Orders upon this fund by the Selectmen for expenses of prosecutions in two cases in which the cost was not chargeable to the county, and could not be collected of respondents, and a trifling incidental charge for legal blanks, amount to eleven dollars and seventy-three cents, which deducted from the total of two hundred and eighty-three dollars and seventy-two cents leaves a balance of two hundred and seventy-one dollars and ninety-nine cents, which has been paid into the town treasury.

A. S. BATCHELLOR,
Justice Municipal Court.

REPORT OF LIBRARY TRUSTEES.

Observation of the increasing interest in our library and reading room each year, adds to the conviction that no expenditure of the town affords more of profit and of pleasure to so large a number of the people as that apportioned to the purchase of approved books.

While a large proportion of the readers choose fiction, still the amount of substantial reading required of the members of the numerous literary clubs is not realized by those outside of such organizations and they find our library reasonably well supplied with historical and biographical works together with books of travel and those devoted to social questions.

The first substantial bequest of one thousand dollars from the estate of the Hon. Harry Bingham has been received through the courtesy of the Hon. John M. Mitchell, executor of the estate, and invested in securities approved for investments of Savings Banks in New Hampshire. It is hoped that we may have established in the near future a fund, the income of which shall be used for the purchase of books other than fiction.

The number of books loaned reached 16,768 of which 82 per cent. was fiction, 8 per cent. history, biography and travels, etc. Six hundred and thirty-nine volumes have been added during the year. One hundred and fifteen volumes, including one rare old one, were presented by C. F. Eastman and family; 48 volumes by B. W. Kilburn; 44 volumes by D. C. Remich; 25 volumes by A. S. Batchellor; 2 volumes by Ida Farr Miller; 1 volume each by J. H. Benton, Jr., C. R. Corning, Heath & Co., Ogilvie Publishing company; 2 volumes by the Friday Club. A valuable old book, "Acts of the First Session of the Second Congress," has been donated by C. A. Farr. A copy of "Life of Chevalier John Paul Jones," published in 1825; and a set of Harper's Weekly, a

portion of which covers the Civil War period, valuable and desirable also as references, have been presented to the library by Mrs. Lois Caswell of Waterford, Vt. "Outing" has been added to our list of periodicals through the kindness of W. H. Mitchell and F. H. English. "The Ladies Home Journal" is given by Mrs. W. H. Mitchell and the "Outlook" by Hon. D. C. Remich. "Christian Endeavor World" by Christian Endeavor Society.

Since the closing of the Y. M. C. A. rooms we have had the use of much of their literature. The book committee have purchased 254 volumes, 42 of which replaced worn ones; 44 addresses, sermons, etc., by native authors have been bound; and duplicate copies of the most popular fiction have been supplied.

The trustees have accepted with thanks the kind offer of the Hon. F. D. Currier, M. C., to furnish the reports of the Department of Agriculture, Smithsonian Institution, Geological Survey, Bureau of Education, Consular Reports, all of which are valuable works of reference, 28 volumes of "English Men of Letters," Larned's "History for Ready Reference," Phillips Brooks' "Life and Letters" are among the more substantial additions to the library this year; while our reading room contains the best there is in periodical literature.

It has been impossible to secure the services of Stella B. Farr to catalogue the library on account of illness.

CHARLES F. EASTMAN, Auditor.

Littleton, N. H., March 1, 1902.

To the Honorable Board of Commissioners of the Littleton Fire District.

Gentlemen:

This Department has responded to 35 alarms for the year ending February 1st, 1902, six bell and 29 still. Only one of these calls has been outside the Precinct against five last year. The damage as nearly as could be ascertained at the 34 within the Precinct limits has been only \$163, making an average loss of \$4.79 7-17.

Thirteen hundred and fifty feet of hose has been laid the past year by the Department, 500 feet of which was used, and have also used 18 chemicals at a cost to the Precinct of \$122.69, an average of \$3.50 19 35 for each alarm.

The total fire loss for the year ending Feb. 1, 1901, was \$2,300, and the average cost for each alarm was \$9.36 3-7.

The purchase of 1000 feet of cotton hose and the disposal of 500 feet of old leather hose, making a net addition of 500 feet to the equipment, will, with the purchase of a chemical engine, bring the Department up to date.

The purchase of runners for the ladder truck will be of no particular advantage until the proposed changes are made in the Town Building, of which there seems no immediate prospect. I must again call your attention to devising some

way whereby the officers and men of the Department may become familiar with the stairways, means of access to the roof and general plan of the larger buildings on Main street, particularly also of the places where oils, paints and explosives, especially dynamite, are kept. Had the suggestions made last year in regard to inspection and care of chimneys been carried out the number of calls for this year would have been reduced at least 50 per cent.

RECOMMENDATIONS.

We would recommend the purchase of a double 45 Chemical engine.

The purchase of runners for the Hose carriage and that the necessary changes in the doors of the present quarters be made so that they will be of some use.

The purchase of a tapper and four or five alarm boxes to be placed one at the corner of Pleasant and High streets; one at the corner of Grove and Willow streets; one at the Allen Corner at Apthorp and one on Main street near foot of School street.

E. C. YOUNG,	}	Board of Engineers.
H. D. WILKINS,		
A. E. STRAIN.		

LOCATION OF FIRE ALARM BOXES.

- No. 33—Hose house door.
- No. 42—Corner Cottage and Mt. Eustis streets.
- No. 43—Corner Cottage and South streets.
- No. 44—Near West end of Union block.
- No. 45—Corner High and School streets.
- No. 46—Corner Main and Saranac streets.
- No. 47—Corner Main and Meadow streets.
- No. 48—Front of Saranac Glove shop.
- No. 49—South street, near J. R. Jackson's residence.
- No. 52—Corner Union street and Lafayette avenue.
- No. 53—Corner Pleasant street and Chiswick avenue.
- No. 54—Union street, near G. A. Edson's residence.
- No. 55—Near Shoe shop, Apthorp.

DIRECTIONS.

The glass covered box on side of alarm boxes contains the key; get the key by breaking the glass, and open alarm box; pull down the hook, letting go at once. **DO NOT PULL A SECOND ALARM UNLESS ORDERED BY THE CHIEF ENGINEER OR ONE OF HIS ASSISTANTS.**

The alarm will indicate the station from which the signal was given. Thus, a signal from Station 42 will be sounded by four strokes of the bell, followed by two strokes. This will be repeated, so that notice will be clearly given that fire has broken out in the vicinity of Station 42, if that be the case, because the alarm sounds a four, by four strokes of the bell, and a two, by two strokes of the bell. In this way Station 42 is indicated. The other stations will be indicated in a similar manner, the second number struck by the alarm bell corresponding to the number in unit's place, either 2, 3, 4, 5, 6 or 7, as the case may be.

REPORT OF THE Committee on Town History.

The first volume of the Town History comprising its annals has been completed to 1870 and is in the hands of the printer. It was expected that the entire work would have been finished for delivery at this time but a change of plan to include the political history of the town to be narrated in alternate chapters with the annals, required several months of additional research in the libraries at Concord and examination of local documents and manuscripts and this work has delayed the completion of the book.

Your committee are confident that the change will add to the interest of the work, rendering it more complete and to that extent more satisfactory. For more than sixty years Littleton has been a factor in the political history of the state, engaging the attention of some of its citizens much of the time, and all of them a part of the time, and for this reason if for no other, should receive adequate consideration in a history of the town.

Several chapters that will follow the annals have already been prepared and the material for the others has been gathered and it is expected that the volumes will be ready for delivery to subscribers by the first of June.

The Committee recommend that authority be given them by the town to issue circulars for the purpose of obtaining purchasers of the volumes of the town history by individuals connected by family relations or otherwise interested in the town and its history, libraries and other institutions; and that the committee be also authorized to exercise their discretion, which is now restricted by former votes, as to the number of volumes in which the work shall be bound.

A. S. BATCHELLOR,

Chairman of the Committee.

REPORT OF AGENT

TO INDEX

TOWN RECORDS.

By virtue of a vote of the Town at its annual meeting in 1887, the undersigned was appointed by the Selectmen an agent to prepare an index of the town records, then numbering 18 volumes. All the work but that portion under the title of "Highways" was completed and lodged with the Town Clerk in 1895. The omitted title could not have been satisfactorily finished at the time, owing to want of information in regard to the location of many of the older roads which could not be traced by the description in the records and as Ray Gile, C. E., was then engaged in a survey of the town, including its highways, for insertion in the Town History, it was deemed best to await the completion of his work in order to obtain authentic data for this part of the work.

The index has now been finished, with the exception of four items, two of which require an examination of the County Records, and two, relating to roads at Apthorp, seem to be wanting, but may be found on further investigation.

The work has required a large amount of labor covering as it does more than 150,000 original entries and filling a large volume of some 450 compact pages. In its practically completed form it is submitted with the hope that it may receive the approval of the citizens of the town.

Your agent was also instructed to have bound in suitable form the check lists used in town meetings in past years, and to index the same. An examination of the lists in the office of the Town Clerk, disclosed the fact that they had not been preserved in chronological order, and such as were in the office represented but a small fraction of the entire number

used. It was therefore deemed best to dispense with an index of these lists as their broken condition rendered them useless for the purpose for which the index was to be used, that of tracing the period of the residence of the voter in this town.
